

SPORT & PLAY PARTNERSHIP - FUN FOR ALL THE FAMILY @ RODNEY PARADE

Play on the Move Ltd and its sister company **Ezeeplay Childrens Services** are pleased to confirm its exciting partnership with **Newport Gwent Dragons** for the 2011/2012 season. Building on the **Dragons** commitment to family and community events - **Play on the Move** will now be supporting key tournaments within this season's fixture by providing family and children activities.

Tracey Bancroft - Director of these child centric organizations commented 'our mobile non profit organization ethos is to promote the child's right to play and provide play opportunities to children throughout the community therefore partnering with the **Dragons** is a perfect link' she continued... Our organizations provide essential services to the Newport community and focus on the importance of being physically active.

Sports scientists are already linking the benefits of active play as experienced in our playbus and within the play centre in Lliswerry - as helping to provide the fundamentals of balance and coordination that is key to most sports. **FUN, PLAY AND SPORT** some of the tools that may help society's fight to get all children a little more active! And this partnership can help promote the need to give our children the opportunity to be 'active' in all that they do.

Mike Sage added 'the success of the recent family event at the 7s tournament provided the foundation for this partnership which we are confident will go from strength to strength. The variety of play services offered enables us to give something back to the supporters who fervently support the **Dragons** year in/year out'

We plan to bring '**Santa on the Bus**' this Christmas - children will have the opportunity to visit Santa, collect autographs from the '**Dragon team players**' and get their picture taken!!! whilst enjoying fun on the **Playbus**, and the excitement of a tournament day.

Besides all the family fun this will bring to Rodney Parade - **Newport Gwent Dragons** has also joined **Ezeeplays Community Discount Package** - as a local employer. This means staff, players and season ticket holders are now entitled to **50% discount** on entrance prices to the children's playcentre along with **10% discount** on party bookings. (terms & conditions apply)

Ezeeplay can be found at Unit 19 Queensway Meadow Industrial Estate, Lliswerry, Newport NP19 4SP
