

Toddler Fun Time With Nanna Mags

at

Ezeeplay

Wednesdays – Cookie Tots

(Help your child create easy-to-make recipes and activities based around enjoying food and cooking.)

Thursdays – Rhythm & Rhyme Time

(Rhythm, melody, harmony, dynamics, and expression are elements which can be acquired easily and happily through listening, moving, singing and participating in a session of singing, use of simple instruments and rhyme repartitions thus encouraging experimentation with sound)

Fridays – Krafty Kids & Messy Mobsters

(Art and craft classes for under 5s. Themed sessions during term time. Painting, sand play, water play, play dough, sticking and gluing and lots of exciting craft activities every week.

As messy mobsters children can learn and interact with other children and their carers whilst having fun with art activities – that sometimes you wouldn't want to do at home.)
